Love Is...

. . . having a fight.

. . . being lonesome.

. . . the gossip about you-know-who?!

. . a hard day at the factory!

. . . sitting with the gang.

. . . a huddle before the game.

. . Kelly, but where's Cory?

. . . being a big (mouth) freshman.

Each of us was made by God and some of us grew tall. Others stood out in the wind their branches bent and fell. Those of us who walk in light must help the ones in darkness up. For that's what life is all about and love is all there is to life.

Rod McKuen

Love is . . . What does love really mean? It is something you are afraid of? Do you hide it inside? Is love always realized? Can you always express it? This book is a sumary of the different aspects of LOVE!

Winter Wonderland

On the night of Saturday December 21, 1974 at 8:00 p.m. the Wasco Union High School Gym was alive and swinging to the sounds of 10,000 Watts. This was the night of the 1974 Snowball. Winter Wonderland was the theme with 106 people attending. Of this 106 people one girl left very happy - Connie Cooper who was crowned 1974 Snowball Queen. The night was one of pleasure, excitement and romance. The colors: red, white and green, brightened the gym as the Queen's court: R. Millar, A. Berumen, M. Hannula, L. White, and escorts: F. Salyards, G. Wegman, B. Tiner, P. Gilley, and R. Bolin danced to their hearts content. As the magic hour of 11:00 came, the dance floor quieted and the music stopped; the lights went off and the ballroom turned once again into the gym.

Students

December 11, 1957 something great happened - I was born. Sixteen years later another great thing happened - I had the chance to go to the United States.

It was a very exciting day that year in September when the letter arrived saying I could come to the United States.

I flew fifteen hours and finally landed in Los Angeles where I was met by my American family, Mike and Pat Lage. We drove to my new home in Wasco and talked about an hour before I went to bed and slept for 24 hours.

It was very hot for me the first time I went out in the California air. The hottest Denmark days are not over 90.

I am from a town of 2,000 people. I have three brothers and one sister.

I have really enjoyed my stay in America. I have found living here a lot different from that in Denmark. I want to thank the people of Wasco for being so nice to me and helping me.

Thank You,

Cross Country An Exhausting Ordeal for Victory

Wasco's cross country team had an exceptionally good year. Wasco's Varsity cross country team won their first League championship. Sammy Garcia won League championship for the third time in a row along with Valley

championship. Some of the highlights of the season were the Morro Bay Tournament where Wasco won the sweepstakes for the second year in a row, and the Kern County tournament which Wasco also won. The frosh-soph team won the championship, making the next year's prospects for a second league championship excellent.

A new competitive sport for girls was introduced to Wasco High School's athletic program. Miss Chaney coached her teams to a winning season. All three teams finished the season with a record of two wins and one loss. Miss Chaney was happy with the large number of girls that turned out for the team. There will be a league consisting of four schools next year.

This year the Wasco Varsity and J.V. teams faced the difficult task of maintaining the winning tradition. Last year Wasco's Varsity squad went 14-0 during the season and were League champs. The J.V. team had won the championship for three years in a row. Wasco's wrestlers faced this challenge head on by placing in several major tournaments such as the Morro Bay Tournament and the Kern County Tournament. Wasco also started League competition by overpowering Coalinga in both J.V. and Varsity.

Year after year Wasco has produced large wrestling teams. There is fierce competition between wrestlers for the spot on either the J.V. or Varsity team. The large number of wrestlers account for the strength of the J.V. teams over their opponents. Several Varsity wrestlers graduated last year and left some openings on the Varsity squad. These opening were filled with inexperienced wrestlers who, after a few matches were as tough as the grapplers they had replaced.

Varsity Track

Seagren, eat your heart out.

Track coach, Andy Darby, has high hopes for another championship. If the team wins this year, it will be the fifth championship in the last 6 years. Coach Darby has good reason for expecting another title. Several top varsity competitors from last year's team will be helping this year's team out tremendously. Several eager sophomores and freshmen will also add to the team's strength.

One of the big events will be the 21st annual Wasco Relays with over 600 athletes competing from 20 different schools.

FFA Story

1975 WASCONIAN

Spring and Summer 1974 was a busy time for the Wasco Chapter, Future Farmers of America. Kin Krause and Tom McGuire were delegates to the State FFA Convention. They were joined by Charles Parker who placed 8th in the State Livestock Judging Contest. Wasco received the Master Chapter award and Warren Bone and Charles Parker received their State Farmer Degree.

The FFA day at Disneyland for the North Kern Orthopedic School children was a very successful event. The FFA Field Day was also very successful.

The Fall Semester officers, Kin Krause, Carolyn Rey, Diane Walls, Ronnie Snow, Charles Parker and James Medrano spent two days at Avila planning the 1974-75 program of work.

For the first time in many years the Wasco FFA did not participate in the California State Fair.

Opening of school and the Wasco Rose Festival were busy times with the FFA preparing a barbecue for 2,500 people and winning first place with their float entry. The barbecued beans were less than the best because of no stewed tomatoes.

Rick Taylor exhibited the Champion FFA Short-horn steer at the 1974 Kern County Fair. The showmanship winners were Kin Krause, 1st in beef; Charles Parker, 1st in sheep; Teri Walls, 1st novice sheep; and Greg Camargo, 1st novice and 1st novice round robin. The Livestock auction at the fair was an excellent one.

Ronnie Snow, Spring Semester president, represented Wasco at the National FFA Convention held in Kansas City. President Ford was one of the speakers at the Convention.

The parliamentary procedure and opening and closing ceremony teams were very successful in their contests. Team members for parley-pro were Charles Parker, Kin Krause, Cary Williams, Tom McGuire, and John Watson. Novice parley-pro teams members were Debbie Hernstedt, Jerald

Mozingo, Kim Azevedo, Lee Johnson, and Kevin Merritt. Opening and Closing ceremony team members were Charles Parker, Ronnie Snow, Carolyn Rey, James Medrano, Kin Krause, and Diane Walls. Novice team members were Debbie Hernstedt, Jerald Mozingo, Marshell Stewart, Kim Azevedo, Mark Osteen and Wayne Johnson.

Charles Parker, Kin Krause, and Tom McGuire won first in the Kern Section cotton judging contest and 2nd place in the State contest.

Miss Marilyn Lewis was the intern teacher for the Fall Semester and Ron VadeWeg was intern teacher for the Spring Semester.

Norbert Streiff, employee on the Ag. Farm, received burns from a fire in the hog farrowing unit March 1, Banquet night. Mr. Betita, and Mr. Cheatwood are still doing a fine job of FFA team coaching and instructing. Mr. Cheatwood also coached J.V. basketball and ended the season with a league co-champion team.

Miss Long is now Mrs. Goni. She married a fine past Future Farmer, Mr. John Goni.

Side events included an excursion to Kansas to secure feeder calves. The FFA also purchased a new (used) double deck cattle trailer.

The top 30 most active FFA members this past year were Kin Krause, Charles Parker, Ronnie Snow, Rick Taylor, James Medrano, Tom McGuire, John Watson, Dan Hernstedt, Albert Gaeta, Debbie Hernstedt, Carolyn Rey, Diane Walls, Teri Walls, Jerald Mozingo, Mark Osteen, Cary Williams, Lee Johnson, Robert Garringer, Steve Hosman, Tony Criner, Mark Scott, Mike Moreland, James Hulsey, Steve Eves, Wayne Johnson, Kim Azevedo, Greg Camargo, Mark Scales, Terry Summers, and Shelly McLaughlin.

All in all, the year has been a busy and successful one. We have met many new and challenging situations. The year finished out with a fine Parents and Friends Banquet in which the winners are recorded in the accompanying composite picture.

Love Is . . . Knowing

Our Dedication To

Mr. G. E. Appel and Mr. and Mrs. Ray Rexius. We would like to extend our thanks and appreciation to Mr. G. E. Appel for his never ending guidance and trust in the work and ideas that went into making this 1974 Wasconian. Mr. and Mrs. Rexius also made it possible for this book to be published, through their consistent help and understanding. Many unselfish hours have been spent by these three people on preparations for this book. In closing this book, we also have to close Mr. Appel's many long hours of teaching and advising Yearbook staffs. Once again . . . Thank-you.

Love,

The 1975 Wasconian Staff
